*While many old-time songs are from the Public Domain, not every one is an old composition. A small percentage were written by contemporary composers but identify with the traditional music style; another small percentage are untraceable by name, given the limitations of the U.S. Copyright office and other research resources available online. The inclusion of these songs here and on our website are not meant to violate, ignore or misuse the copyright protection rightfully due any copyright holder, but appear for the singular purpose of music education for old-time instrumentalists. We will be happy to remove any song from this collection upon request of a copyright holder.*
