P. O. BOX 160038, NASHVILLE, TENNESSEE 37216

Welcome!

We're so glad you could make it for this special weekend of old-time music, an event sponsored by the **Nashville Old-Time String Band Association**, created to bring kindred souls together to celebrate the end of winter. You can look forward to reconnecting with old friends and making new ones, and maybe learning a tune or three. We hope you enjoy these special days of jamming tempered with fine discourse on various aspects of traditional music styles and their roots by some of the most distinguished academic persona in the field.

General Information

Name Badges: Please wear your name badge at all times. It's your admission to all jams, presentations and performances and it helps new friends learn your name!

Meals: If you purchased a meal ticket, you will eat in the Group Lodge cafeteria. You must present your meal ticket at every meal. Please keep your personal meal ticket tucked in the plastic pocket behind your name badge. If you do not have a meal ticket, you might visit one of the many restaurants in nearby Lebanon.

Alcohol: Alcohol consumption is prohibited in public areas including the Assembly Hall and Cedar Forest Lodge; please keep such beverages in cabins, RVs, and tents.

Smoking: Smoking is prohibited inside public park buildings. If you smoke, please use an area that supplies ashtrays for this purpose. Please pick up and appropriately discard your used cigarette butts if you do not have access to an ashtray.

Instruments: Although we would love to guarantee the safety of your instruments, we can't. Please be extra careful about leaving them unattended in any area.

Recycling: We encourage you to take your recyclables home as the park does not provide full recycling facilities.

Questions: If you have questions, ask at the registration desk. If closed, ask around for Todd Wright (615-829-9116), Tom Patten or Susie Coleman (615-933-5843).
