Welcome!

We're so glad you could make it for this annual weekend of old-time music, an event sponsored by the **Nashville Old-Time String Band Association**, created to bring kindred souls together to celebrate the end of winter. You can look forward to reconnecting with old friends and making new ones, and maybe learning a tune or three. We hope you enjoy these special days of jamming tempered with fine discourse on various aspects of traditional music styles and their roots by some of the most distinguished academic persona in the field.

General Information

Name Badges: Please wear your name badge at all times. It's your admission to all jams, presentations and performances and it helps new friends learn your name!

Alcohol: Alcohol consumption is prohibited in public areas including the Assembly Hall and Cedar Forest Lodge; please keep such beverages in cabins, RVs, and tents.

Smoking: Smoking is prohibited inside public park buildings. If you smoke, please use an area that supplies ashtrays for this purpose. Please pick up and appropriately discard your used cigarette butts if you do not have access to an ashtray.
